Hotel & Restaurant

## *Introduction*

*Congratulations on your upcoming wedding!*

Thank you for your interest in Stratton House Hotel as a potential wedding venue.

Stratton House dates back to the 17th century and has a beautiful blend of period features and modern details. The building has had a variety of uses over the years, originally the local wool merchants house. The building was used as a military hospital for the US Air Force during the second world war and after that it became a hotel. The house has been extended many times over the years and now has a total of 44 bedrooms and boasts a large, beautiful walled garden that provides the perfect back drop for your wedding album.

Our Stratton Suite is our beautiful function space that has been recently refurbished to create a stunning room for both your ceremony and celebrations afterwards.

Enclosed are our wedding packages and menus for your information. All other information is available upon request once we start discussing the finer details of your day. We offer a variety of wedding packages starting from £3,500 for 50 guests. Furthermore we have reduced rates for weddings on Sundays through to Thursdays. We also offer a range of additional options. We are an independently owned hotel and so we can tailor our wedding packages to suit you perfectly.

Please do not hesitate to contact me or the hotel if you have any further questions or would like to make an appointment to view the hotel.

Kind regards,

*Imogen Garrard*
